

■ AGA Aviation Academy – Refund Policy

Effective Date: 01st June 2018

At **AGA Aviation Academy**, we are committed to delivering quality education and skill development to every student. We understand that enrolling in a course is a significant decision, and we strive to ensure clarity in our policies for the benefit of all learners.

✓ 1. Registration & Admission Fees

- All **registration and admission fees** paid during enrollment are **non-refundable** under any circumstances. These charges cover administrative, documentation, and seat reservation processes.

✓ 2. Course Fee Refund Policy

- Once the student has attended **any orientation, demo session, or regular class**, the course fee becomes **non-refundable**.
- If a student wishes to withdraw **within 3 working days** of admission and has **not attended any class**, they may request a **partial refund**, subject to a deduction of processing and registration charges.

✓ 3. Refund Eligibility Conditions

Refunds will only be considered under the following conditions:

- The batch or course is **canceled by the institute** due to insufficient enrollments or unforeseen operational issues.
- The student has paid in advance but **fails to meet the eligibility criteria**, and the academy is unable to provide an alternate solution.

⚠ 4. Non-Refundable Situations

Refunds will not be granted in the following scenarios:

- Change of mind or personal reasons (e.g., relocation, time conflict, change in interest).
- Student fails to attend or drops out mid-way through the course.
- Disciplinary action or expulsion due to misconduct or attendance issues.

💡 5. Refund Process Timeline

- All refund requests must be submitted in writing to **info@agaaviation.in** with valid reasons and enrollment details.
- If approved, the refund (if any) will be processed within **07 working days** via the original payment method.

🔗 6. Payment Made via Third-Party or Loan

- In cases where course fees are financed through a third-party partner (e.g., EMI, loan, or financing agencies), refunds will be subject to the **terms and conditions of the financier** and not directly handled by AGA Aviation.

★ 7. Important Notes

- The management holds the **final right to review and approve** any refund requests.
 - By enrolling in any course, students acknowledge and agree to abide by the terms of this Refund Policy.
